A large, diverse group of people, including men, women, and children of various ages and ethnicities, are standing in a loose circular formation around the central text. They are dressed in casual, everyday clothing. The background is plain white, making the people and the text stand out.

DETENTION4DETENTION STANDING IN SOLIDARITY NATIONAL DAY OF PRAYER & ACTION

WHAT ARE WE DOING?

Today we are gathering together to express our support and solidarity for refugees and people seeking asylum.

We are giving ourselves a lunchtime detention to recognise the injustices faced by people caught up in Australia's immigration detention system.

WHAT DO WE WANT?

We believe people seeking asylum should be treated compassionately and humanely, as we would want to be treated.

We believe in a fast, efficient and fair process that enables people to rebuild their lives and thrive in the community.
